

Election March 13 To Decide District Recreation Plan

March 13 has been set by the Nevada County Board of Supervisors as the date of the election to decide whether or not a recreation district, embracing the entire fifth supervisorial district shall be formed.

The suggestion that the district be formed to provide financing for recreational projects throughout the district developed into a controversial matter with a number of areas, including Floriston, Soda Springs and a portion of Donner Lake asking exclusions.

All these exclusions were denied and because they did not constitute a sufficient number of objections, the board held the required public hearing and Tuesday fixed the date for the election.

The district plan was sponsored by the Truckee Donner Chamber of Commerce with an aim for securing land at Donner Lake, on Donner Summit and at the new Prosser dam to be held for public use such as parks, beaches and playgrounds.

Building Inspector In District Sought

Applications for the position of assistant building inspector from the Truckee-Donner area may be made with County Clerk John T. Trauner prior to the next meeting of the board of supervisors January 22.

Board Chairman H. G. Loehr said that it is the intent of the board to name the inspector and assistant at the next meeting and if possible it is hoped to secure the assistant from this end of the county.

The salary of the inspector, County Clerk John T. Trauner said, will be \$481 a month while the assistant will receive \$436. These salaries are subject to five steps upward. Minimum qualifications are a high school diploma and at least three years in the building trades or a qualified contractor's license.

Loehr said there were 26 applications on file for the building inspector's position.

COUNTY GETS SHARE OF STATE USE TAXES

SACRAMENTO — (CNS) — Nevada county has received \$26,506 as its share of the December apportionment of highway users' taxes, State Controller Alan Cranston reported today.

Total apportionment for December was \$30,587,932, Cranston said, a decrease of 4 per cent from the same month of 1960.

Of the apportionment, \$20,362,995 went to the state highway fund for expenditure on highways, \$7,374,645 went to the counties, and \$2,850,292 went to the cities.

Of the amount distributed, \$27,295,606 came from the six-cent gasoline tax, \$2,253,393 from the diesel fuel tax, and \$1,037,547 by transfer from the motor vehicle transportation tax fund.

OFFICE VANDALISM MAY FORCE CLOSURE

KINGS BEACH— Unless petty vandalism ceases at the Kings Beach post office the lobby doors will be locked at six p.m., Postmaster Robert Molsberry declared this week.

Continuing trouble is being caused by persons who are tampering with locks, breaking the glass in the boxes, littering the lobby, by dumping the refuse cans and generally causing trouble, the postmaster declared.

In several instances mail has been taken out of the boxes.

Apparently the persons tampering with the boxes and removing the mails do not realize that they are committing a federal offense by their actions, Molsberry said.

NEW YEAR USHERED IN QUIETLY LOCALLY

With scores of home parties and the cafes well filled with celebrants, the New Year was ushered in on a quiet note in Truckee and according to Sergeant Roy Waters of the sheriff's department not a single arrest was required.

Lieutenant O. P. Ledford of the California Highway Patrol reported things as well controlled and quiet and no citations or arrests were made for drunk driving.

BERLINER TO SPEAK AT LOCAL PTA MEET

Harold Berliner, district attorney of Nevada County is scheduled to be the speaker on the January 8 program for the Truckee Elementary School P.T.A., his subject will be signs for Peace, Our Government and the World. A film concerning the United Nations will be shown during the meeting.

Garwoods from City— Mr. and Mrs. Ron Garwood, now at San Francisco were New Year's guests here.

Alpine Meadows Is Opened As Area's Newest Ski Resort

ALPINE MEADOWS— Although the lodge is not scheduled to open until January 10, California's newest million dollar lift and ski area at Alpine Meadows is now open to skiers.

All three lifts, one double-chair lift and two Poma lifts, are operating daily.

Luggi Foeger directs the Alpine Meadows ski school with classes daily starting at 10 a.m. and 2 p.m. The ski conditions at the resort are reported good and the snow depth ranges from 20 inches on the lower slopes to 72 inches in the upper bowls.

The three-mile access road, starting a mile past the Squaw Valley turnoff at Deer Park Lodge takes motorists to the lodge lift and parking area. The bridge spanning the Truckee river and the access road were recently completed and provide easy going to the resort center.

Promotions Made By Power Company

Two new assignments in the key personnel of Sierra Pacific Power Company, effective January 1 were announced by Neil W. Plath, vice president in charge of operations for the company.

Fred Talley, manager of the Lovelock district, became assistant district manager of the Truckee-Tahoe district and will assist Manager F. W. Gallenille.

At the same time Ray Saibini, who attended the Truckee schools and who has been assistant to the vice president in charge of operations, became manager of the Lovelock district.

Both Saibini and Talley are graduates of the University of Nevada and are civil engineers.

Talley went with Sierra Pacific as an assistant engineer while still an undergraduate at the university. A short time after his graduation in 1949 he became assistant to the general superintendent until his advancement in 1956.

Saibini, after his graduation in 1952 became an assistant engineer, then headed the water department engineering group from 1953 to 1955. He became assistant to the vice president in 1960.

NAOMI REBEKAHS TO SEAT NEW OFFICERS

Naomi Rebekah Lodge No. 2 of the I.O.O.F. will hold the annual installation of officers Wednesday, January 10 at 8 p.m. when Margaret Avila will be installed as noble grand and Julia Davis as vice grand for the ensuing year.

Installing officers are Gladys Clemon, district deputy president of the Rebekah Assembly and her marshal, Hazel Browning with their staff of officers, coming from Grass Valley.

The installation will be open and relatives and friends are cordially invited. The refreshment committee for the affair is composed of Lucille Bick, Elsie Olsen, Janet Franklin and Dorothy Slack.

BOY ACCIDENTALLY SHOT AT FLORISTON

Curtis B. Funk, 14, son of Mr. and Mrs. L. Funk of Floriston, was treated at the Tahoe Forest hospital Saturday for an accidentally inflicted gunshot wound in his left forearm, according to sheriff's deputies.

Deputies Leo Zander and Emory Lander, who investigated, said Michael B. Harrison, 14, was carrying a 22 calibre rifle when he slipped and the gun struck his knee causing it to discharge. The bullet struck a rock and a piece lodged in the victim's arm.

FIRE-ETTE OFFICERS WILL BE INSTALLED

Inauguration of officers of the Truckee Fire-ettes will be held at the dinner meeting in Smart's this evening. The group will convene at 7:30 to be followed by dinner at 8 p.m. Membership fees of \$3.00 are now due and payable.

ESCAPE INJURY— Mrs. Jeanne C. Bacon and Oliver

Henrickson, both of Tahoe City escaped injury Tuesday shortly after noon when their cars collided at the intersection of Route 23 and the golf course road.

Fatal Wreck Mars Weekend Traffic On Local Highway

The California Highway Patrol reports a comparatively quiet New Year's weekend, although there was one fatal accident, one injury accident and two property damage mishaps recorded.

Earl Nunley Waddell, 52, Richmond, was killed instantly Sunday night at 9:15 o'clock when he was thrown from his car which got out of control in the "cut" on Donner Summit.

Waddell was driving east and apparently lost control as he started down the grade. The car swerved across the highway, struck a rock embankment and the driver was thrown out against the rocks. A small pet dog in the vehicle survived and was taken home for care by Charles Olanoff, tow truck driver for Thornton's Garage. State Patrolman William Gautsche made the investigation.

The body was taken to the Truckee Colonial Mortuary and later shipped to Richmond where funeral services were scheduled for today. Waddell is survived by his wife.

Janice DeMass May, 18, Carmel, suffered neck injuries at 9 a.m. Monday when a car driven by Randolph Phillip Cohn, 18, San Francisco got out of control and flipped over a mile north of Tahoe City of State Route 89.

Cohn was cited for not having his vehicle under control and not having a driver's license in his possession.

The patrol issued 134 citations for moving violations, bringing the total for both the New Year's and Christmas holiday to 234, Lieutenant O. P. Ledford reported.

WRECK POSTPONES CONTEST; WILL BE PLAYED ON FRIDAY

Five hundred people who gathered at the high school gym last night to witness an exhibition basketball game between the Harlem Stars and the Tahoe-Truckee All-Stars were disappointed, the reason being that the game was postponed.

At the last minute word was received that the bus carrying the Stars was involved in a wreck near Stockton and a number of the players were treated for minor injuries.

The game was rescheduled for Friday evening, January 5 at 8 p.m. and ticket stubs from those attending last night will be honored and new tickets sold to those who missed the game. The contest is sponsored by the Truckee Lions Club.

MAGICIAN FEATURE OF BUFFET BENEFIT

TAHOE CITY— Tom Coleman, magician-hypnotist, will headline the entertainment which will be featured at the fund-raising buffet dinner sponsored by the Tahoe Lake PTA on Friday, January 19th, at the Crystal Bay Club at 7:30 p.m.

Arrangements for the affair are under the direction of Ways and Means Chairman Herb Kahn and President Raleigh Hawk. The public is cordially invited to attend and the contribution will be \$1.50 per person.

CLASSES PLANNED AT CATHOLIC CHURCH

Father Patrick Coffey of Assumption Church will hold classes of instruction on the Catholic religion, beginning January 18 and every Thursday thereafter until the course is completed. These classes are for all interested, both Catholic and non Catholic.

They will be held in the parish house and anyone interested may call LU 7-3595 or LU 7-3022.

LES KELLY HONORED IN BEE'S FEATURE

Lester Kelly, a California Highway Patrol public relations aide at Sacramento and formerly attached to the Truckee squad, was featured as a personality in the news in the Sunday Sacramento Bee.

Kelly is well known for his work, much of which is on his own time, in teaching young people safe driving habits through exhibits and lectures throughout the 19 county Zone 2 of central California.

York Visits— Gregg York of Greenville visited his uncle and aunt, Mr. and Mrs. Lauren Russell during vacation.

Town Hoop Play Will Start Tonight With Two Games

Two games will kickoff the 1962 Truckee Town League Basketball season tonight at the Tahoe Truckee High School Gymnasium.

The Sierra Market Mountain eers will meet Marler's Marauders in the opener at 7 p.m. The defending champion Kings Beach Lions five will go up against league newcomer, Safeway, in the nightcap at 8 p.m.

Games will be played every following Tuesday and Thursday. The public is invited to attend. No admission price is charged.

Floriston Crossing Gets High Priority

There is a very good possibility that Floriston will have its two underpasses this year.

The state public utilities commission last week listed the road crossing on its 1962 priority list in fifth place for grade crossings which qualify for state aid.

At the same time, Supervisor H. G. Loehr said that the county's share of the project, some \$21,000 has been budgeted and is awaiting action by the state and the Southern Pacific, the participating agencies, before the work can be started.

Loehr has been working for the past two years attempting to secure the needed project which will provide easy access between Floriston and the freeway.

The PUC delivers the list of priorities each year to the department of public works and the state highway commission, which put aside \$5 million yearly for the work.

The crossings listed as those most in need of an overpass or underpass for greater public safety.

The estimated cost of the Floriston project is \$42,000.

CARS ARE DAMAGED IN HIGHWAY CRASH

A three-car pileup resulted Wednesday when a flagman raised a stop sign on U. S. Highway 40, slightly less than six miles west of Truckee.

All three eastbound cars had minor damages, although the lead car had driven on by the time California Highway Patrolman Edward McCallen arrived.

The lead car, which stopped immediately when the stop sign was raised, was struck from the rear by Everette Jackson Mallory 36, Paradise, Calif.

Mallory's car was in turn hit from the rear by Scot Eugene Hoiland, 16, also of Paradise. No citations were issued.

LOCAL GROUP AID IN SUPPORT OF PARK

Forty resolutions supporting the proposed Malakoff State Park have been filed with the Nevada County Planning Commission and sent to the California Division of Beaches and Parks.

Among the organizations submitting resolutions were the Nevada County Board of Supervisors, Truckee Rotary Club, Truckee Lion Club and the Truckee PTA.

TWO WALLETS ARE REPORTED MISSING

TAHOE CITY— Two wallets were reported to the sheriff's office as being missing. R. A. Keller, Saratoga, said he either misplaced or lost a wallet in the vicinity of Squaw Valley Lodge and Robert Bendorf said he lost his wallet containing \$20 or \$30 in Tahoe City.

ESCAPED INJURY

TAHOE CITY— John Hogles escaped injury last week when his car skidded on icy pavement near Bliss Park and plunged down an embankment. He got a ride to Tahoe City and notified authorities of the mishap.

Parties— A number of home parties were enjoyed on New Year's eve including Mr. and Mrs. Mike Popovich

who entertained a group of friends. Dr. and Mrs. Ben King were hosts in their Gateway Park home and Mr. and Mrs. Charles Vind fete friends at a buffet supper on the last evening of 1961.

Loehr Is Chosen To Again Head Up Nevada Co. Board

H. G. Loehr of Truckee was re-elected chairman of the Nevada County Board of Supervisors for the third consecutive term at Tuesday's annual reorganization meeting of the board.

The office is not a new one for Loehr who previously served as head of the board on several occasions.

By formal motion, all appointive officers and personnel of the county government were re-named in a blanket endorsement and all committees of the board were reappointed for 1962.

Other members of the board are Neil Hennessy of District 3, who was appointed recently, and Guy Robinson of District 4, both of whom will be up for reelection this year and W. W. Bishop and Gene Ricker.

Bishop was named vice chairman of the board at Tuesday's meeting.

BOARD AUTHORIZES LOAN TO COMPLETE LOCAL FIRE HOUSE

The board of supervisors Tuesday authorized a loan of \$2500 to the Truckee Fire District to complete work on the second floor of the fire station, Supervisor H. G. Loehr reported.

The money will be repaid from this year's budget.

Completion of the hall above the station will provide a much demanded meeting place for various organizations, including the department of employment which has found the space in the Veterans' Memorial building inadequate for the huge volume of work required.

Others are also seeking use of the hall, Commissioner N. F. Dolley said.

TAHOE WOMAN HURT IN AUTO ACCIDENT

Pauline Simonson Millim, 45, Homewood, was seriously injured Wednesday morning at 6 o'clock when the car she was driving failed to make a turn just west of Donner gate and climbed 10 feet up a rock embankment.

Mrs. Millim, who was going to work at Donner Lake Lodge, went by the place and turned back and was driving east when the accident occurred.

Patrolman Carroll Maynard made the investigation. He said the car, a former highway patrol vehicle was completely demolished.

BLOOD PLASMA FOR CHILDREN IS SOUGHT

LAKE TAHOE— Ernest Riley, cafe proprietor at Squaw Valley, is spearheading a campaign to collect blood plasma in the Lake Tahoe-Truckee area for Donald and Anna Marie Bardo, who have a disease called Mediterranean anemia.

Donald, 8, and Anna Marie, 4, are the children of Mr. and Mrs. Chuck Bardo of Carnelian Bay. Each must have a pint of blood every six weeks. The family formerly lived in San Jose.

FISHING RULES ARE ADOPTED BY NEVADA

RENO— Nevada's 1962 fishing seasons regulations, similar to those currently in effect, have been fixed by the state fish and game commission.

Most of the state will be open to fishing on a year around basis, although there are some seasons prescribed for certain waters and some areas closed to all angling.

Returns to Ft. Ord—

Stanley Rasmussen returned to his U. S. Army post at Ft. Ord after a holiday visit with his wife, Mrs. Rasmussen, Mr. and Mrs. John McGlade, Mr. and Mrs. Al Davidson, Mr. and Mrs. Herb Copeland and friends in the Lake Tahoe, Truckee area.

Navy Recruit— Barry Smith was a holiday visitor with young friends here and is reported to be a U. S. Navy recruit.

Dry Weather Still Continues As Lake Falls To New Low

Unless storms develop during January and February to make up for the unusually dry season of 1961, the region is in for another drought period, officials believe.

The total precipitation for the year since September, according to the Truckee office of the U. S. Forest Service is 5.73 inches, compared to a normal of 11.79.

There was only one inch of precipitation recorded during the entire month of December, Henry Toccalini of the forest service reported. This compared to a normal of 6.23 inches, or nearly six inches under normal.

There were eight inches of snow during December and this week that had disappeared and the ground was bare.

Cold weather has predominated with a high of 47 recorded during the week on Sunday, and a low of 11 Saturday morning, the forest service reported.

There was ample snow on the ground in the ski areas and thousands of enthusiasts crowded the slopes on the summit and in the Squaw Valley area during the holidays.

Resorts reported the biggest influx of skiers in the history of the region.

TAHOE CITY— At Lake Tahoe the continued dry weather has caused the level of Lake Tahoe to drop to a new low of 6222.70 and the snow pack at Tahoe City Monday was 5 1/2 inches. The temperature here has ranged from a low of 20 to a high of 45 for the week.

Auto Registration Opens For Month

Renewal of nearly nine million California vehicle registrations was officially launched as a giant statewide project for motorists and administrators at 8 a.m. Tuesday morning.

Richard Paddock, in charge of the Truckee office will be open daily between 8 a.m. and 5 p.m. and from 8 a.m. to noon each Saturday to process renewals and handle other department matters.

Drivers licenses will continue to be issued during the renewal period, Paddock said.

Tom Bright, director of the state department of motor vehicles said in Sacramento that DMV's 138 permanent full-time field offices, including Truckee, have been staffed to perform the big renewal function with additional temporary employees.

Owners may apply at the office up to Monday, February 5, since the deadline of February 4 comes on a Sunday. After that date penalties will be added.

TEEN CLUB SESSION AT SQUAW TUESDAY

The first regular monthly meeting of the Sierra Teen Club which sponsors the dances at the Nevada Center each Saturday night in Squaw Valley will meet in the Converse Room of the United Church of Christ on Tuesday evening, January 9, at 7:30 p.m.

All interested teen agers are invited to attend. Officers of the group will be elected that evening.

ASSUMPTION GUILD MEETING PLANNED

The Assumption Guild will hold their first meeting of the new year January 22 at 8 p.m. in the parish hall. All members and those interested in joining are urged to attend.

Henry Toccalini was awarded a basket of foods at a recent meeting of the Guild. The group wishes to thank all of who made the pre-Christmas event a success.

TO TRAVEL SOUTH FOR STATE MEETING

The 57th annual Congress of the California Optometric Association to be held February 21-24 at the Disneyland Hotel in Anaheim, will have as its theme "Vision is a Family Affair." Dr. Milton I. Schwartz of Truckee and Kings Beach, a member of the Sacramento Valley Optometric Society, plans to attend.

Move in South—

The Ed Butlers who spend the summers here, moved from Pearblossom to Oxnard.

Arson Suspected As Flames Raze Tahoe Landmark

CRYSTAL BAY— Eugene's Chalet, one of the show places at North Lake Tahoe, was burned to the ground Sunday morning in another of a series of fires near Crystal Bay which have spurred an arson investigation.

While the loss could not be immediately determined, it was estimated at more than \$250,000, partially covered by insurance.

The chalet was under lease as an office by the Crystal Bay Development Company and according to Arthur L. Wood, president of the firm, many of the records were lost although some were saved.

The fire was discovered by a group of teenagers who were passing and who awakened Wood in a nearby apartment.

The North Tahoe Fire Protection District department was called at 12:25 a.m. and with Chief Joe Fulton in charge, battled the blaze until nearly noon Sunday. Following the fire, the Fire-Belles, the department's women's auxiliary served breakfast to the firemen and other volunteers at the fire station.

Wood said the company's office would be open Tuesday in Incline Village and that business will continue as usual.

The chalet was established by the late Eugene Jarvis and many valuable collector's items from all over the world were stored in the building.

Officers said four pieces of fire fighting equipment had to be brought from Kings Beach because the one-man Crystal Bay department was not in operation due to the resignation of Fire Chief Douglas Ingram Saturday night. He said he resigned because of political interference with his job. The Kings Beach department will be on call for the Crystal Bay area.

The fire marked the third in the development in the past several weeks. All have occurred at almost the same hour Saturday night or Sunday morning and they have been spaced about three weeks apart. The first two fires destroyed \$30,000 homes in Incline Village.

District Attorney William Ragio of Washoe County and a fire department inspector are looking into the possibility of arson in all three cases.

FIRST BABY OF NEW YEAR ARRIVES FOR RAMEY FAMILY HERE

The first baby of 1962 was welcomed in Tahoe Forest Hospital at 4:20 a.m., Tuesday, January 2 for Mr. and Mrs. Wayne Ramey of Truckee.

Sherlene Esther tipped the scales first at 7 pounds 3 1/2 ounces. She has two sisters and a brother.

Mr. and Mrs. Leslie Grow of Truckee are the proud maternal grandparents, the New Year arrival is their fourth grand-daughter and eighth grandchild.

OFFICIAL WILL PROVE TAHOE ARSON CASE

RENO— Washoe District Attorney William J. Ragio said Tuesday that all three Lake Tahoe fires are under investigation "to determine the likelihood of arson."

Ragio said he is seeking complete statements from everybody in the area concerned with the situation until the matter is determined. He noted a "reluctance" on the part of several individuals to furnish free statements and warned that if they are not volunteered the individual will be subpoenaed before the Washoe County Grand Jury.

LEAKE IN LINE FOR BOARD CHAIRMAN

Paul R. Leake, third district member of the state board of equalization was named vice chairman and is next in line for elevation to the chairmanship of the board. George T. Reilly of San Francisco was chosen chairman of the board at Tuesday's organizational meeting in Sacramento.

Leake represents this district.

WOLVERINES MEET SPARKS SATURDAY

The Tahoe-Truckee Wolverine basketball squad will go into action again Saturday night when they invade Sparks. The next home game will be with Loyalton on January 13, Coach Neal Gates announced.

IN HOSPITAL

Joseph Feldstein, member of the Sierra Sun staff for the past two years and past commander of the Veterans of Foreign Wars in Nevada, is in a Reno hospital, the victim of a heart attack suffered Friday morning at his home in Reno. His place on the Sun is filled by Aldo Perino also of Reno.

Moreys at Game—

Mr. and Mrs. Dave Morey returned from San Francisco where they witnessed the East-West football game, Daven and Ann Morey were guest of relatives in Sacramento.

and Florence Brown at their Ta-
hoe City home were Chuck and
Jean Collins of Canoga Park. Mrs.
Collins is Mrs. Brown's daughter.

The Jim Banta family of Tahoe
Park visited with friends and re-
latives in Hayward and Castro Val-
ley over the Christmas vacation.

Max and Unis Hoff of the
Chamberlands celebrated their sil-
ver wedding anniversary on New
Year's Eve.

Top winner at the most recent
competition sponsored by the Lake
Tahoe Archery Club was Don
Hightman of Reno who won high
scratch score. Other winners were
awarded prizes on a handicap ba-
sis and they were Boyd Kelly
(Reno), first; Roger Johns (William
Kent Park), second; and Bernie
Banta (Tahoe City), third. Other
medal winners were Bob Johnson
and John McClain.

Jim and Lys Reynolds of Santa
Clara were holiday house-guests of

the Ralph Rauscher's at their
Cedar Crest residence.

Casualties of the ski season in-
clude broken legs suffered by John
Mathewson of Tahoe City, Brian
Mullen and Mike Pelletier, both of
Squaw Valley. All are students at
Tahoe Lake School.

Herb and Lou Neidig of Lake
Forest entertained Helen and Ar-
nie Schaff, Cleo and J. B. Henry,
Jan Tell and Arnie Schaff, Jr., all
of Sacramento, over the New
Year's week-end.

The John Robertson family of
Tracy spent the holidays at their
Tahoe Park home.

Suffering a serious arm injury
as a result of a power saw acci-
dent in his home last Sunday was
Herb Beck of Squaw Valley.

Ed and Connie Gill have re-
turned to their Tahoe Park home
after several days spent in the
Bay Area where they attended
funeral services for Ed's sister.

President Raleigh Hawk has an-
nounced that the next regular
meeting of the Executive Board of
the Tahoe Lake PTA will be held
on Monday night, January 8th at
the Tahoe Lake School at 8:00 p.m.

Spending several days in Lin-
coln last week were Carol Files
and children of Tahoe Park. They
visited with Mrs. Files' parents,
Mr. and Mrs. Raymond Mayers.

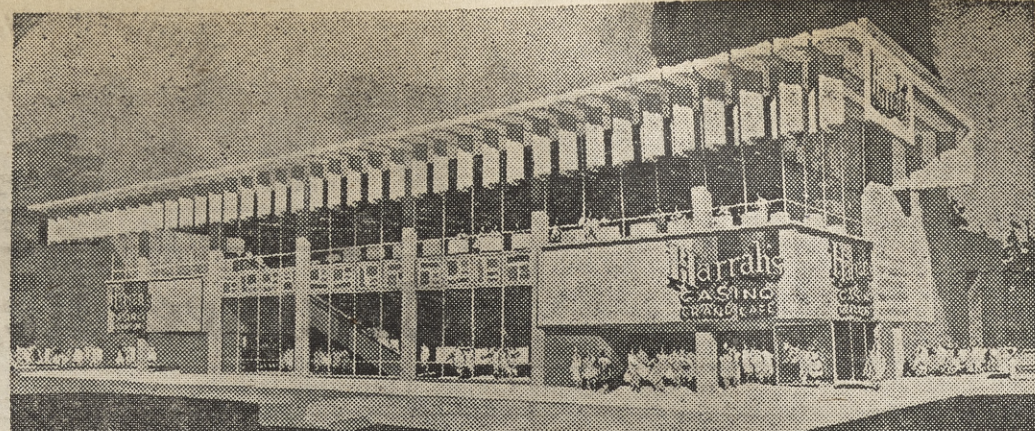

The next meeting of the local
Emblem Club will be combined
with an initiation of new members
and will be held at the Elks Club
in Tahoe Vista on Monday, Janu-
ary 8th at 8:00 p.m. Jean Calhoun
will preside over the ceremony.

Mrs. Catherine Roskelley of Con-
cord spent the holidays visiting
with her daughter and son-in-law,
Mr. and Mrs. Ron Kimball and
granddaughters Sonya, Mimi and
Denise at their Tahoe Park resi-
dence.

The Lake Tahoe Ski Club will
hold its January meeting at the
Tahoe Lake School on Friday, Jan-
uary 12th, at 8:00 p.m. according to
President Herb Kahn.

Rube Kimball, the only male
junior member of the Ron Kimball
clan, is recovering from injuries
sustained when he fell out of
Ron's pick-up truck recently. Rube
has had three sessions of surgery.

HARRAH'S new, modern and
functional casino-restaurant is
slated for groundbreaking this
week. It will occupy the site of

the old Grand Hotel in down-
town Reno which was a land-
mark since before the turn of
the century. The old building

was razed to make way for the
new structure while the old
Grand Cafe was moved half a
block away.

JUNIOR SKI PROJECT AT TAHOE IS OFF TO FLYING BEGINNING

TAHOE CITY—The junior rac-
ing training program of the Lake
Tahoe Ski Club was off to a flying
start over the Christmas holidays
with three local skiers participat-
ing in the FWSA invitational pro-
gram held at Mammoth and more
than seventeen juniors taking part
in the FWSA program at the Reno
Ski Bowl.

At the conclusion of the eight
day program held at Mammoth,
Vicki Jones made an excellent
showing in the slalom event, plac-
ing first in the giant slalom and
fifth in the downhill race and win-
ning the combined event score for
girls.

Paul Sullivan and Wayne Poul-
sen, Jr. were unable to complete
the competition events due to knee
injuries but made excellent show-
ings in the training. This program
is said to be best of its kind ever
presented in the far west. The
trio were accompanied to Mam-
moth by Mr. and Mrs. M. F. "Bud"
Jones.

At the Reno training program,
all the local juniors recorded ex-
cellent progress with Sandy Fel-
lows (with two first places), Dianne
McBride, Karen McBride and Alice
Calhoun winning special honors in
the final competitions.

Several of the local juniors com-
peted in the races held at the Don-
ner Ski Ranch last Sunday with
Lance Poulsen, Mark Sullivan, Eric
Poulsen, Chuck Bacon and Sandy
Poulsen all placing in the top three
in their respective classes.

All of the junior racers of the
Lake Tahoe Ski Club are entering
the FWSA meet to be held at Sug-
ar Bowl on January 6th and 7th
which will be the first of two
qualifying meets to be held to
choose those racers who will be
eligible to participate in the point
meets to be held later in the sea-
son.

This year the point meet com-
petitions will be limited to squads
of eight girls and twenty-six boys
each from northern and southern
California. The second qualifying
meet will be held at the Reno Ski
Bowl on January 21st and 22nd.
Both downhill and slalom events
will be held at Sugar Bowl and
Reno Ski Bowl.

At the conclusion of the meet
at Sugar Bowl, a fifteen member
varsity team will be chosen from
the junior racers of the Lake Ta-
hoe Ski Club. The team will be
called the "Thunderbirds" accord-
ing to Competition Director "Bud"
Jones.

home included Mr. and Mrs. Tom
Hance of Sacramento, Mike Korich
and Gloria Powers of Oroville. The
Hance's are newly-weds. Mrs.
Hance being the former Carol
Smilev. They were married in Car-
son City last Saturday. Mrs. Hance
and Mrs. Korich are sisters.

A recent guest at the Rolf Wi-
gaard, Jr. residence in Tahoe City
was Rolf's mother, Mrs. R. Wi-
gaard, Sr., of Auburn.

Suffering from broken ribs sus-
tained in an accident last week is
Tony Donadio of Tahoe City.

The Tahoe City-Squaw Valley
Conference Association has enroll-
ed fifty members in its initial
membership drive which is going
into full swing this week. They
have established a permanent of-
fice in Tahoe City in the Tahoe
City Laundrette building and have
secured part-time clerical help.
The Association has already se-
cured three conference bookings
through their office, including the
National Roller Skating Champi-
onships which will be held in June,
the Church of Religious Science
group scheduled to be held in Au-
gust and the Radio Church of God
which is scheduled for October.

President Bob Johnson has an-
nounced that the next meeting of
the Lake Tahoe Archers will be
held at the club's indoor range
near Tahoe City on Tuesday, Janu-
ary 9th, at 7:30 p.m.

HARRAH'S WILL HAVE NEW RENO BUILDING

Construction plans for a new
modern four-level casino and res-
taurant in the heart of Reno were
revealed by Robert Ring, vice pre-
sident and general manager of Har-
rah's.

Construction of Harrah's expan-
sive new building, covering more
than 35,000 square feet of floor
space, will begin this week on the
site formerly occupied by the his-
toric old Grand Hotel, a landmark
in Reno since before the turn of
the century.

Designed by Los Angeles archi-
tect William C. Wagner, who also
created the famed South Shore
Room at Tahoe Harrah's, the new
building is slated to have two
floors above ground level and two
below.

In announcing the plans, Ring
said the first floor would house a
casino, and the second is sched-
uled to contain a complete new
restaurant.

The casino, on the street floor,
will hold the gaming which was
eliminated by the abandonment
and leveling of the old Grand Ho-
tel building. Included in the cas-
ino plans are a bar and a snack
bar.

"However," Ring said, "Harrah's
operations in the main club and
in the Bingo club, immediately ad-
jacent to the proposed new build-
ing, will continue without inter-
ruption during the construction
stage."

The second floor is designed to
accommodate a spacious dining
room, including a bar and an em-
ployees' dining area.

Storage space and public rest-
rooms will be contained in the
basement, and the sub-basement
will house all the necessary ma-
chinery and equipment to operate
the facility. Footings in the base-
ment will extend nearly 40 feet
below the street level.

"Basic construction will feature
steel and reinforced concrete with
the most modern building ma-
terials available," the Harrah's ex-
ecutive noted.

He added that exterior construc-
tion will make extensive use of
marble, terrazzo, porcelain-enamel
tile and thermo-pane glass.

FORESTRY CLASS AT SIERRA WILL START

ROCKLIN—Frank Van Vliet,
Sierra Junior College coordinator
of vocational training, announced
a course in forestry will be offered
during the spring semester to start
in February.

A new instructor, Edward E.
Bailey, former state division of
forestry ranger of Auburn, will
each the course. He followed an
extensive career in varied fields
of forestry for about 19 years be-
fore retiring from the state job
and has been operating a water-
shed and wildlife management
consulting service in Auburn. He
is a member of the Society of
American Foresters.

Bailey is a graduate of Sierra
Junior College and holds bachelor
of science and master of forestry
degrees from the University of
Washington.

TYPE B INFLUENZA APPEARS IN STATE

The following item on influenza
was released by the Nevada
County Health Department.

Influenza—Type B—has begun
to appear in California. Many mild
"colds", at times of epidemic pro-
portion in certain communities,
preceded the case of true influ-
enza. There is no known relation-
ship between these two infections.

When a case of true influenza
appears, it is of no avail for the
other members of the family, or
other contacts, to resort to vac-
cination for prevention. Vaccina-
tions must be used before a case
of influenza comes into the com-
munity.

There are three major types of
influenza virus, A, B and C. These
viruses change from year to year.
Type B this year may be slightly
different from Type B last year.
Because of this change, a poly-
valent vaccine is necessary to
raise the immunity against a pos-
sible infective agent.

It is best to stay in bed at home
under the physician's direction.
General hospitals should be used
for other acute illnesses as many
cases of influenza would occupy
all available beds. Patients, acutely
ill with this disease, get well
quicker at home than do those who
must be transported to another
facility.

Now is the time to be vaccinated
against influenza. Tomorrow may
be too late.

CAR OWNER HAPPY WITH SMASHED DOOR

First aid classes will be held in Kings Beach for the benefit of area residents who wish instruction. The course will take ten hours and the advanced course sixteen hours. Information may be obtained from the instructors—Audrey Welch, Ella Rae Fulton and Tom Hoffman who are fully qualified to teach the course.

Congratulations to Marie Henry of Tahoe City on receiving the "Woman of Achievement" award from the Soroptimist Club of Lake Tahoe. Soroptimist Club president, Maggie Stollery, made the award, placing Marie in competition for the national award given each year by the Soroptimist Clubs of America.

Harold A. Dunham of Braemar Motel, Brockway, was winner of the first prize of \$15.00 for the Lions Club Christmas decoration contest. Fred Baker of Tahoe Vista second prize winner of \$10 and

Don Beck's Carnelian Bay office third prize winner of \$5.00. Judges were Bob Daneri, Lions Club, Marty Rieck, Soroptimist Club, Sam Faulkner, Rotary Club, Kenneth Oelrich was chairman of the event for the Lions Club.

Cocktails at the Brockway home of Harry and Ceta Hooper were enjoyed by Ray and Helen Ehlers, Jack and Zoe Ann Jensen, Bill and Ione Wiseman, and Fred and Rose Baker.

Mr. and Mrs. Keith Wilson and children Kay, Ethan and Moreen of Sun Valley were holiday guests of Joe and Ella Rae Fulton of Kings Beach. Joe especially enjoyed the visit as Mrs. Wilson is his daughter.

Foreign exchange students from the University of California at Davis are enjoying the Christmas and New Year holidays on the North Shore. Sami Ibrahim of Egypt is a guest of Harry and Ceta Hooper at Brockway and Kavy Dostur of India is a guest of Joe and Ella Rae Fulton at Kings Beach. Both students are doing post graduate work for their masters degree.

Holiday guests of Jackie and Zoe Ann Jensen of Crystal Bay were Zoe's grandmother, Mrs. Anna Bragstad of Oakland and mother, Mrs. Art Olsen of Oakland, and Bob Garson of Los Angeles.

Herman and Carol Achziger and children Rodney and Carol have moved to Kings Beach from Lancaster.

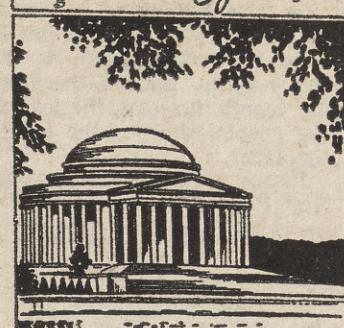

Frances Rockholm of Kings Beach announces an Emblem Club meeting on January 8th instead of January 1 for obvious reasons. Initiation of new members will be held at the meeting. Outstanding tickets and monies from the Riches to Rags dance are to be turned in and accounted. The dance was a successful fun affair.

Home for the holidays were Tina Grundemann from Sierra College at Auburn and Gretchen Grundemann from Alhambra to Kings Beach home of parents Harold and Peggy Grundemann.

Mark that calendar for January 12 and 13 for the rummage sale for the Kings Beach Methodist Community Church to be held at the North Shore Cleaners in Kings Beach. Lots of bargains and for a

SIGHT-SEEING QUIZ

Can You Name This Spot?

good cause!

Eda Judy has returned home to Kings Beach after visiting daughter, Carol Howard, at Grant Pass, Oregon.

Francis and Julia Von Ruden of Brockway entertained Francis' mother, Mrs. Victoria Von Ruden of Lodi over the holidays. Guests on Christmas were Mr. and Mrs. Bob Hoover of Colorado, Nancy Clinton and children, Evelyn and Dennis of Crystal Bay and Nancy's mother Jean Lilly of Santa Barbara.

John and May Van Dyke of Nevada City were Christmas guests of Bob and Estelle Molsberry. May is Estelle's sister.

Lyle and Adeline Gunkel family news includes Pat and Phil Edwards, daughter and her husband, of Sacramento; Mr. and Mrs. Gene Stonebarger of Brentwood and Beverly Gunkel home from Chico State College, for the holidays. Son Greg visited Pat Gianni in Reno during the school vacation.

Bethel, Pieter and Jan Van Tassel of Tahoe Vista visited relatives in Alamo over Christmas. Pieter remained for the school vacation to renew summer acquaintances and old friends.

The Robert Brueners of Sacramento entertained friends over the holidays at their Brockway home.

The John H. Bosche family of Piedmont spent the holidays at their Brockway home.

Dr. and Mrs. William Brock of Stockton enjoyed the holidays at their Incline Beach home.

Pat and Maryetta Flagerman and children Shelly, Robin and Collin of Kings Beach visited San Francisco and children's paternal grandparents, Mr. and Mrs. Charles Flagerman, and Los Angeles to children's maternal grandparents, Mr. and Mrs. Theodore Curie, during the holiday vacation.

Shirley Wagner and Lorrie Miller of Kings Beach enjoyed a vacation trip which included Long Beach, Disneyland and Las Vegas.

Several members of the Women's Club of North Tahoe met at Nevada Lodge on Friday for luncheon. Among those present were

Louise Walter, Theresa Sutton, Doris Ingram, Pearl Draney, Pearl Kientz, Jeri Rayburn and Bethel Van Tassel.

Spending the the Christmas holidays with the David Mays of Incline Beach were daughter and husband, G. A. and Joyce Whitezell and children, Debra, Bobbie, and Davis of Bakersfield.

Ora Drafton of Kings Beach spent the Christmas holidays with her family at Pomona.

Les and Dorothy Webb and children, Michael, Stephen, Carol, Susan and Skipper, have moved from Tahoe Vista back to San Leandro, their former home.

Moving to Tahoe Vista in the Webb home are Alexander and Rena-Jo Kingard and children, Karen, 19, Sherry, 17, Andrea, 16, Jon, 15, Alexa, 12, Ingrid, 8, and Eric, 5. The Kingards are moving here from Del Mar.

Mrs. Grace Burdick of Sacramento spent Christmas with her daughter and son-in-law, Ruth and Dick Lavery at Tahoe Vista.

Hal and Barbara Moe of Kings Beach spent the holidays in Oakland visiting friends and relatives.

Brunch and watching the Pasadena Tournament of Roses parade were enjoyed at John and Jeri Rayburn's home at Incline Beach by Frank and Joanne Apichino and boys David and Rickey, Dick and Ruth Lavery, Sam and Ruby Faulkner, Carl and Betty Moran, Tom and Theresa Sutton, Bruce and Bern May, Bethel Van Tassel, Harry and Ceta Hooper and sons, Jon and Charles and Mr. and Mrs. Gordon Marsh of Reno.

Maxine Polzin of Incline Beach was a Sacramento visitor last week.

Parents, Mr. and Mrs. Harold Selbys of Santa Cruz, were Christmas guests of Jo Anderson and family at Kings Beach.

Christmas dinner guests of Bea and Bob Snell at Kings Beach were Mabel and Larry Marriott.

AFFAIRS OF STATE

Henry C. MacArthur

SACRAMENTO — (CNS) Opening a New Year is a symbolical event, usually a time for resolutions which are never carried out, and a time to give some thought

for planning events and actions of the next 12 months.

It seems strange at times that this should be so. Just why January First should be the time for this sort of thinking is somewhat of a mystery. Why shouldn't it be some other month, like April 1st, for instance. But on the first of any month, it seems, the joke is on the people who pay the bills and the taxes.

In any event, the celebration of New Year's Eve, and New Year's

LIFESAVERS

Changing a tire or attempting to find the cause of a stalled engine may be extremely dangerous unless you pull off the highway as far to the right as possible. The instant you detect a flat tire or some mechanical failure, says the California State Automobile Association, you should endeavor to pull off onto the shoulder. If necessary, run the car on the starter or drive on a flat tire—the important thing is to get off the roadway! If trouble occurs at night, be sure you place a flare or two before you attempt to work on the car.

Day has been a long and established custom. Trying to avoid it is like fighting city hall, it just can't be done.

In retrospect, the year 1961 has been a good one, generally speaking. Measured money-wise, the stock market hasn't dipped too low, state and federal taxes were not increased too much, and the price of commodities, while increasing, still haven't reached the point where they are above the ability of people to buy. The production of luxury items has increased, which is always an indication time are good.

Measured in terms of progress, California has stepped ahead in population, if that can be called progress, has increased its spending for governmental activities and under the ogle eye of Governor Edmund G. Brown plans to increase it some more, and is progressing to some extent in its program of public works.

While the events of 1961 will have some bearing in what happens in 1962, they nevertheless are past, and shortly will be forgotten in the press of oncoming activity in state government.

And if thought be given at all to the future on this customary day of ushering in a New Year, perhaps some consideration should be given by the public to the structure of government which surrounds it.

Most people realize this structure has become top-heavy, from the federal government on down to the state, county, city and district level. And most people recognize the fact that many, many functions of government are unnecessary. Others are obsolete. And any efficiency expert could outline specifically the wastes of government which cost taxpayers of the state and nation millions of dollars annually.

It is also patent in the past 30 years that the give-away policies of government have gotten somewhat out of hand and that these give-away policies, inaugurated in a time of great need, have affected the moral attitude of a large segment of the population insofar as attitudes toward work and responsibility are concerned. When government, for political purposes, attempt to encourage and increase the give-away, the burden on the producers increases. This has occurred, insidiously over almost a 30 year period.

So if we make any resolutions at all, the first will be to continue in "Affairs of State", the expose

PRESCRIPTION DRUGS EXEMPT FOR TAXES

SACRAMENTO — (CNS) — Operators of drug stores and pharmacies in California are being reminded this month that the most significant change in the state's sales tax law in the past 25 years takes effect January 1—the exemption of prescription drugs.

The exemption was voted by the 1961 legislature. It will result in a revenue loss of about \$2,090,000 a year for cities and counties in the local 1 per cent sales tax.

The state board of equalization said its December tax letter to operators of drug stores and pharmacies is reminding them of the law and the rules. The exemption from the sales tax will apply only to sales of drugs prescribed by a physician and sold by a registered pharmacist.

DRINKING SETS NEW CALIFORNIA RECORD

SACRAMENTO — (CNS) — Drinking set a new record in California during July, August and September, the state board of equalization reported.

The board said state revenues arising from wholesale distributions or alcoholic beverages in California during the quarter set a new third-quarter record of \$12,765,650. This was up 2 per cent from a year ago and the entire gain was attributable to the increase in sales of distilled spirits. Revenues from distilled spirits shipments, taxed at \$1.50 a gallon, produced \$9,894,000 on the 6.6 million gallons distributed.

Other revenues included \$2.7 million from the two-cent a gallon tax on beer and \$172,000 on distributions of 7.5 million gallons of wine. The board said table wines, less than 14 per cent alcohol, continued to gain in popularity, while the dessert wines, with more alcohol, continued to decline in usage.

More than 25,000 acres of San Bernardino County's agricultural land have been taken for subdivisions and factory sites in recent years.

of senseless government programs and their effect on future generations, which now are being loaded with debts incomprehensible to the mind of the average man. Happy New Year!

CHAIRMAN SELECTED FOR YOUTH GROUP

SACRAMENTO — (CNS) — Herman G. Stark, director of the California Youth Authority, announced he has appointed DeWitt McCann, of Studio City, as chairman of the state delinquency prevention commission.

McCann was one of the original commissioners appointed by Stark last September after the 1961 legislature had created the seven-member group to advise the youth authority director on delinquency prevention. He succeeds John W. Greene, Los Angeles, who has moved out of the state.

The non-salaried commission will hold its third meeting in San Francisco January 28. At two previous meetings, held in Los Angeles and Sacramento, the commission outlined a program of familiarizing the public with the seriousness of juvenile delinquency.

COUNTY SHARES IN STATE SCHOOL FUND

SACRAMENTO — (CNS) — Nevada County has received a total of \$97,751 in state aid for special education programs and school transportation, the state department of education announced.

This included \$3,478 for excess costs for physically handicapped (up to \$910 per student); \$6,715 for excess costs for mentally retarded (up to \$375 per student); \$2,403 for excess costs for severely mentally retarded (up to \$670 per student); \$80,985 for transportation

NOTICE OF SALE OF PROPERTY DECEDED TO THE STATE FOR DELINQUENT TAXES

Date December 21, 1961.

Whereas I was on the 14th day of November, 1961 directed by the Board of Supervisors of Nevada County, State of California, and there was received by me and filed in my office an authorization of the State Controller (dated November 20, 1961) to sell at public auction, for cash in lawful money of the United States, certain tax

deeded property. Public notice is hereby given that unless the said properties are redeemed or an installment plan of redemption is initiated, as provided by law, I will on the 12th day of January 1962, at the hour of 10:00 o'clock A. M. in the Tax Collector's Office in the Court House of the County of Nevada, in the City of Nevada, sell as directed the said properties for a sum not less than the minimum price or prices set forth in this notice.

The parcel or parcels of property that are the subject of this notice are situated in the County of Nevada, State of California, and are described as follows:

Lot 7 of Resubdivision of Donner Lake Villa Tract No. 1. Last Assessee: Michael Devita Minimum Price \$375.00.

In Donner Lake Co's Lakeview Subd. Lot 9 Blk 14. Last Assessee: Jackson Burgess Minimum Price \$95.00.

If redemption of the properties is not made according to law before the first bid is received the right of redemption will cease.

L. J. TWITCHELL, Tax Collector of Nevada County, State of California.

First Publication: December 21, 1961; Second Publication: December 28, 1961; Third and last Publication: January 4, 1962.

tion (\$475 per student); and \$4,170 for excess costs of driver training (in car) programs (up to \$42 per student). The total apportionment state-

US 40 Projects Move to Finish Within 3 Years

In less than three years from now, the \$100 million dollar project to widen US Highway 40 from Sacramento to the Nevada state line will be completed. State division of highways officials estimate the last unit will be finished in the fall of 1964.

There is now 94 miles of com-

pleted expressway or freeway over the hills and mountains from the state capitol to the state line. Another 20 miles is under construction, while clearing operations in preparation for the last six mile stretch is going on. This final link will complete the 120 mile stretch of advanced roadway.

Hubner and Michner Inc. of Denver has a \$273,000 contract to do the clearing between Cisco and Hampshire Rocks in the high Sierra region of Placer and Nevada Counties.

Final Link Imminent

Highway officials say plans and specifications for an estimated ten

and a half million dollar construction job between Cisco and Hampshire Rocks are virtually complete. If the state highway commission includes funds for construction in the 1962-63 budget, work could start late this year.

Traveling east from Sacramento, the following are the sections of US 40 under construction, the contractors doing the work, monetary value of the contracts and recent status of the job:

Monte Vista to Baxter, 5.1 miles, Madonna Construction Company of San Luis Obispo, \$4,739,175; 90 per cent complete.

Emigrant Gap to State Route 20,

5.4 miles, Guy F. Atkinson Co. of South San Francisco, \$7,983,508; 10 per cent complete with completion late in 1963.

Soda Springs to new summit on US 40, two miles north of present summit, 3.4 miles, Guy F. Atkinson, \$2,377,705; 60 per cent finished with completion of grading and structures only expected in summer or early fall 1962.

Down Eastern Slope

New Summit to east end of Donner Lake, 7 miles; J. W. Briggs and J. N. Conley of Redding, \$7,423,104; 50 per cent complete with completion of grading and structures only expected in late 1962.

Over all, nearly 1.6 million cubic yards of earth and rock still must be removed. Much of the material is being blasted out of solid granite. In several locations, the highway over the summit will be built on top of earth and rock fills 85 to 100 feet deep.

It is one of the most intricate and expensive pieces of construction ever undertaken by the state division of highways. Officials estimate the cost of the relocation north of Donner Summit alone is going to exceed \$14,000,000.

The total 10.5 miles of the transsummit route will be surfaced in the final job, which is expected to

cost more than \$5 million.

The existing 21 miles of highway from the east end of Donner Lake to Nevada is full freeway.

L. R. Hawkes, resident engineer for the division, reports the state does not plan to ignore US 40 after completion of the four laning.

Future work on the route includes conversion of the expressway from Auburn to about 14 miles north to full freeway by means of a dozen interchanges to provide full control of access.

Also, highway officials said, future planning calls for widening the route to six and eight lanes, as future traffic growth warrants.

PETE VANNI OFFICER FOR FIREMEN GROUP

SACRAMENTO —(CNS)— Pete Vanni of Tahoe City was listed as one of three directors of the Placer County Firemen's Association, which has filed articles of incorporation with Secretary of State Frank M. Jordan. Other directors of the non-profit corporation are Russell Harris of Auburn and John Dobrinen of Wheatland.

San Joaquin County is one of California's original 27 counties, created in 1850, the year the state was admitted into the Union.

SAN DIEGO STATE HAS UNIT IN FRANCE

The trend of California colleges to establish overseas branches continues. Latest to join the foreign campus tide is San Diego State College, which announced plans to establish a summer campus in France in June, 1962. It will be

maintained for a six-week period at the University Center in Douen, a branch of the University of Caen.

Sixty students are expected to attend. Pioneer of the overseas centers is Stanford University, which now boasts campuses in Germany, Japan, Italy and France.

DIVOT-DIGGERS

By BETTY KIELHOFFER

Still resounding in my ears are the cries of "Happy New Year" and without a doubt, it was! I'm sure that all who left the various "pre-meets" and ended up at the country club dance at the Capitol had a good time... everywhere you looked, there was laughter and gaiety with pretty girls in party dresses whirling across the dance floors to the music which played on to the wee hours of the morning. Several cameras were on the scene and cries poured forth of "turn it off" each time the bright lights flashed.

HIGHLIGHTS OF THE EVENING... though many no doubt missed it, there really WAS a horse in the place... someone grabbed my arm and yelled, "quick bring your camera." We hustled downstairs and, sure enough, a big, white horse, with Lloyd Van Sickle aboard, was wandering throughout the bar and halls in the lower building.

I received the 'horse-laugh' but good when I told this story but, by golly, I've got pictures to prove it... guess they didn't think it made good (horse) sense to have a real live animal of that size wandering through a plush place such as this... Yes, I know what you're wondering, and you're right! — this little fellow wouldn't hear of leaving without letting everyone know he had been there... needless to say, the bar was strangely, suddenly empty... guess some people just don't appreciate horses but I thought he was adorable.

Well, the country club came out a little short on the funds... seems quite a few more heads were counted at the buffet table than were paid for at the door but guess this can be expected on a night as confusing as New Year's Eve. By the way, Patti Fink asked me to say that she and Charlie received a Christmas greeting from Orf and Grace DeLuca addressed to the country club with good wishes extended to all the members... They are wintering in Arizona.

President Fink says there will be a meeting of the country club next Monday evening, the 8th of January at 7:30 p.m. in the fire house in Truckee. Try hard to make it... most of us are pretty worn out with the duties of the club, but election of officers are coming up in the next few weeks and we hope to get in new blood to help take over some of the duties.

We have had a good year... lots of fun too, so we must work very hard to get off to a good start for 1962.

GOV. BROWN SEEKS REASONS FOR POOR DRIVERS IN STATE

SACRAMENTO — (CNS) — Governor Edmund G. Brown has approved a \$100,000 study program to determine why Californians are not better drivers than they are. "We know a great deal about how to move volumes of traffic on our highways but little about driver behavior, accident-prone locations and the effectiveness of law enforcement in preventing accidents," Brown said.

The study will be headed by Robert B. Bradford, administrator of the highway transportation agency. It will cover six general areas:

1. \$35,000 for a two-part study of driving environment, involving a comparison of highway locations which appear similar but which have markedly different accident records, and a study of single-car accidents in 1960, which accounted for more than half the fatal accidents on California freeways.
2. \$20,000 for studies of effectiveness of traffic law enforcement on attitudes and behavior of the drivers.
3. \$15,000 for a study of persons identified as "negligent drivers."
4. \$10,000 for a study of highway system operations, with emphasis on guiding the motorist through signing and other engineering measures. It is designed to prevent wrong-way operation on freeway lanes and entering freeways on exit ramps.
5. \$5,000 for a study of improv-

ing means of acquiring and processing accident data.

6. \$5,000 for developing an effective means of translating results of safety research into safer public driving behavior.

The study was approved by the 1961 legislature. Brown's program holds \$10,000 of the total in reserve to make possible adjustments on any of the six points which need more work.

"It is a well worn but durable truth that our ability to defend ourselves and our freedoms depends on more than armed might. It depends upon our moral and spiritual strength."

"All these are involved in the Savings Bonds Program. By saving we build reserves to keep our economy strong and growing. By investing part of our savings in these bonds, we help protect our economy against inflation and deflation. The self-discipline of our regular savings helps build spiritual strength."

"These basic strengths are essential to our continued growth as individuals and as a Nation. The volunteer spirit has made the U.S. Savings Bonds program a shining success through these years of defense, war, cold war, and uneasy peace."

RENO CONVOCATION ON INDIAN AFFAIRS TO BE HELD JAN. 18

RENO — The advisory committee on Indian Affairs is sponsoring a public dinner meeting January 18 to acquaint the public with the Indian situation in Nevada. Indian problems and solutions will be discussed. Governor Sawyer, who appointed the advisory committee last year, will be a speaker.

E. R. Fryer, the assistant commissioner of the bureau of Indian Affairs in Washington, D. C., will also address the meeting. A community development program planned for the Pyramid Lake Indians will be outlined by a spokesman for the American Friends Service Committee.

The dinner will be held at the University of Nevada. Its purpose, a committee spokesman said, is to tell the public something about the facts and conditions affecting Nevada Indians, particularly the Indians of Washoe County.

God will be brought out at

4:30 p. m. Also from 7:30 to

Christian Science services Sunday.

The welcome given children by Christ Jesus, described in the Gospel of Luke (18), is among the Scriptural selections to be read in the Lesson-Sermon entitled "God": "And they brought unto him also infants, that he would touch them: but when his disciples saw it, they rebuked them. Bpt Jesus called them unto him, and said, Suffer little children to come unto me, and forbid them not. for of such is the kingdom of God."

One of the correlative citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "Jesus loved little children because of their freedom from wrong and their receptiveness of right. While age is halting between two opinions or battling with false beliefs, youth makes easy and rapid strides towards Truth" (p. 236).

National P.T.A. Finds Varied Ways To Meet Range of Children's Needs

Major goals are the same in some 47,000 P.T.A.'s of the National Congress of Parents and Teachers, even though ways of approaching them are as diverse as the various communities.

In Alaska, where children leave for school in the dark and return home in the dark, every child carries a flashlight. To attend P.T.A. meetings the president of the Alaska Congress of Parents and Teachers frequently travels hundreds of miles per day in country where temperatures may stay around 25 below zero for weeks at a stretch. He can reach many communities only by small plane.

In Hawaii, the autumn ripening of the coffee crop makes fall the season for "summer" vacation from school. The state's mid-ocean locale makes the Hawaii Congress president an accessible consultant to parents and educators who fly in from Southeast Asia to learn more about the P.T.A.

American schools in Europe take advantage of their location to offer foreign language studies in elementary grades and to hold joint classes with native children. P.T.A.'s in the European Congress of American Parents and Teachers are concerned, too, with problems of establishing residence for children of U.S. servicemen and government employees applying for admission to state-side colleges.

Here in these far-flung areas as well as in all the areas where 47,000 P.T.A.'s serve, each local unit of the National Congress of Parents and Teachers adapts its own program to fit the needs of its youngsters.

"This is the way of the P.T.A.," says Mrs. Clifford N. Jenkins, of Roslyn Heights, L.I., N.Y., who now heads the 12-million-membership organization as National Congress president.

"We have one essential objective as an organization," she

Children of every age and heritage are the concern of the P.T.A., as the National Congress of Parents and Teachers this fall schedules a new membership effort aimed at adding more workers to the P.T.A. "team" that now includes more than 12,000,000.

notes. "It is the welfare of children. But our individual approaches to promoting their well-being may vary as widely as do the children themselves."

This fall the National Congress is scheduling a new membership effort to enroll more people—parents, teachers, other interested persons—in P.T.A. activities.

"They will find local programs challenging and vital," Mrs. Jenkins promises, "because P.T.A. activities center around the needs of each community and the children who are its future."

In Alaska, for example, the Congress of Parents and Teachers, concerned about education for children of homesteaders, is currently urging a study of road maintenance in outlying areas, so that children in isolated spots may be assured of passable routes to school.

Getting to school is a real problem, even in well-settled areas, according to Mrs. Robert C. Cole, who heads the Alaska Congress. Her home in Spenard is only eight miles from Anchorage, but morning and evening she sends the family dog along to protect her two children from wild moose that roam the woods in the quarter-mile area between home and bus stop.

P.T.A.'s in the nation's newest state are seeking to preserve Hawaiian culture in terms of dances, language, and music. Mrs. Teruo Yoshina, of Honolulu, president of the Hawaii Congress, sees this interest as an important segment of Hawaiian P.T.A. activity. Another aspect of the state's P.T.A. program—its emphasis on adult education—is of special interest to the groups from Thailand, Pakistan, India, Cambodia, and Indochina who have been entertained there during recent months.

Parent-teacher cooperation is something new in most of the

nations where the European Congress of American Parents and Teachers functions; but its president, J. Gordon Smock, finds that educators abroad are anxious to cooperate in joint programs to help American youngsters learn more about the culture and people of the countries in which they are living.

Meeting problems of a more conventional nature is "typically P.T.A.," as well, Mrs. Jenkins points out. For example,

—The parking problems of some 500 students who drive to school daily at Elkhart (Ind.) High School recently gave rise to a P.T.A. survey of available parking space in the neighborhood. These students now have maps showing free and metered space, all within easy walking distance.

—The lack of a library in one of the elementary schools in Ponds, N. J., was corrected through P.T.A. effort. Nearly 1,000 books were collected, indexed, and installed in shelves built by a P.T.A. father. Library service is dispensed by some of the P.T.A. mothers.

—Firearms safety is taught in special classes arranged by the Scottsdale Tavan (Ariz.) P.T.A., with "safe hunter" badges awarded to youngsters who complete training given by expert riflemen.

—An unprotected walk on a highway bridge, a twice-daily hazard in Boise, Idaho, for some 75 Whittier School pupils, got the P.T.A.'s attention. Now a protective railing, erected by the state highway department, makes the well-traveled route a safe one.

"In any of these situations," says Mrs. Jenkins, "the P.T.A. first sees and then serves a local need. Service to communities and to children everywhere will continue to grow as more and more persons join the P.T.A. local, state, and national partnership."

DONNER DOINGS

By VIRGINIA O'BEAR

I wonder how many of us will live up to our New Year's resolutions? I hope 1962 will be a happy, healthy and prosperous one for all of us so . . . Happy New Year everyone!

The Auxiliary of the Donner Lake Volunteer Fire Department will meet at Donner Lake Lodge on Thursday January 18th, dinner to start at 7:30. Hostesses for the month will be Olga Welch and Clarice Richards. The officers board meeting will be held Monday evening, January 15th at the home of Muriel Wiser. Any member is welcome to the board meeting also. The committee for the Card Party to be held soon will give information at the regular meeting at the lodge. Members in charge of the coming card party are Jerie Bonano, Laura Horman and Charlotte Harris.

The Donner Lake firemen will resume meetings soon and the firemen will be notified when to attend. Many people who spent Christmas week at their Donner homes were impressed with their firemen when they watched them putting out the fire on December 23rd at the Milan Wight cabin, which saved our place and the forest.

Mr. and Mrs. Don Hageman and family of five children spent the New Year's weekend at their Donner retreat. The Hagemans had a wonderful time at Squaw Valley, Soda Springs and the Powder Bowl at Deerpark.

Dr. and Mrs. Charles Widenmann of Vallejo spent the weekend at their Donner home and enjoyed taking their children skiing at Powder Bowl, too. They took our son Mike along and he enjoyed himself over there.

Mr. and Mrs. Harold Slippery and family of Palo Alto were weekend visitors. They were joined by the Libero Antonaccio family who recently arrived here from Brazil. The Antonaccios will live at Palo Alto for a year before returning to Brazil and they plan many more trips to Donner, especially when fishing season opens.

Californians eat an average of only 50 pounds of pork annually compared to the national average of 60.7 pounds.

SOCIAL SECURITY TAX RATE IN SMALL GAIN

A new social security tax rate went into effect on January 1 for nine out of ten working people.

For employed persons the 1962 rate is 3 1/2 per cent for employee and employer, a total increase of one-fourth of 1 per cent. For self-employed persons, the new rate is 4.7 per cent, an increase of three-sixteenths of one per cent. The maximum taxable earnings remain at \$4,800 during the tax year in earnings, net income from self-employment, or a combination of both.

In dollars and cents the increase means that an employed person earning \$4,800 or more during 1962 will pay \$150 in social security tax instead of the \$144 he paid on these earnings in 1961. With 52 weekly checks totalling \$4,800, \$2.88 cents will be withheld from each check, an increase of about 12 cents weekly. His employer's tax will also be about 12 cents more a week.

A self-employed person netting as much as \$4,800 will pay \$225.50 instead of \$216 for the year. Spread over 12 months, this is about 79 cents more a month, or by the quarter, \$2.38 more.

BANK OF AMERICA IS OVER \$12 BILLION MARK FOR YEAR '61

A 12 billion dollar bank! Paced by more than six hundred million dollars growth in deposits, Bank of America closed the books on 1961 with total resources of \$12,735,764,740.

Its statement of condition for Dec. 31, 1961 showed a gain of \$793,783,481 in resources over a year ago; savings and time deposits of \$5,923,335,997 were up \$384,129,341 and demand deposits of \$5,552,100,136 increased \$285,415,342 over year-end 1960.

"Our deposits are moving up with California's continuing development, further strengthening our base for anticipated increases in loan demand during 1962," President S. Clark Beise said in releasing the report.

Loans outstanding were \$6,827,609,079 as against \$6,699,494,437 a year ago.

Investments in securities amounted to \$3,180,825,330, an increase of \$478,317,243 during the past 12 months.

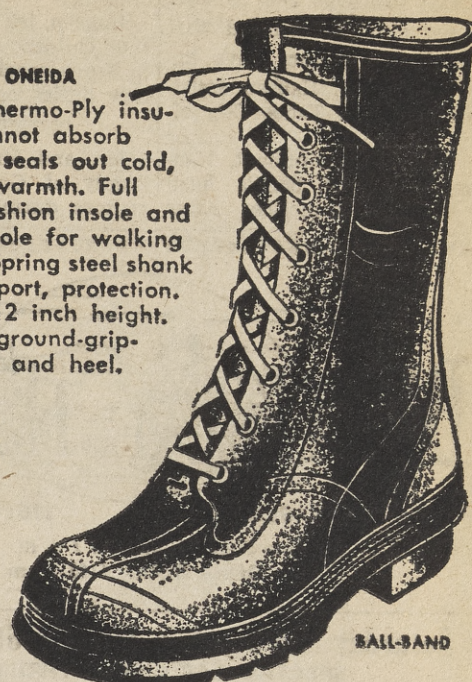

Maryland was founded in March 1634 by 200 colonists from England under Governor Leonard Calvert, brother of Lord Baltimore.

PLANNERS TO DELAY ORDINANCE ACTION

Cecil Edmunds, chairman of the Nevada County Planning Commission, said that time will not permit the planning commission to discuss the proposed study draft of the subdivision ordinance at its next regular meeting on January 8. This is due to the large amount of regular business scheduled to come before the commission at that time.

All constructive comments from the public are being given careful consideration by the commission in its efforts to draft a subdivision ordinance suitable for the needs of Nevada County. These comments have provided valuable assistance to the commission in determining what kind of a county the people want this one to become and how to plan accordingly.

Prior to the subdivision ordinance hearings, there was little public expression on this subject to guide the commission.

The commission continued Edmunds, will give the public ample opportunity to express opinions on a revised draft ordinance before its submission to the board of supervisors for action.

Technically, under parliamentary procedure, public hearings on the proposed study draft of the subdivision ordinance were closed at the last hearing held in the Nevada City December 27. This came about because no motion was made to continue the hearing to a later date. Edmunds stated he believed this was an oversight, as he knew the commission intended to obtain full public expression from all interested people before recommending any ordinance to the board of supervisors for their adoption.

SANDY FELLOWS IS SKIING STANDOUT

Two days of competition concluded a week of intensive training for junior skiers at the Sky Tavern area. The Reno Falcon team's workout period was augmented by young skiers from other Sierra Nevada sites, and Bill Sayers of Eidelweiss took top honors in the boys events, while Sandy Fellows of Tahoe City was a standout among the girls.

First point meet for the far west ski association's junior skiers will be held this coming weekend at Sugar Bowl. Former Olympic contestants and nationally-known veterans aided in coaching the young skiers during the week-long clinic.

INSTRUCTOR'S CLASS FOR RED CROSS SET

TAHOE CITY—Mrs. Marie Henry, vice chairman of the Lake Tahoe branch of the American Red Cross, announced that an instructor course in care of the sick and injured will be given at chapter headquarters in Reno January 11, 12, 15, 16 and 17 from 9:30 a.m. to 4 p.m. for a total of 30 hours instruction.

Persons completing the course will be eligible to instruct community classes, Mrs. Henry said and at this time such instruction would be a good Red Cross program at North Tahoe.

The Red Cross will assume part of the expense incurred by those attending the course. Further information may be obtained from Mrs. Henry at JU 3-3447.

POUNDS ROUTS TWO COLFAX BURGLARS

H. D. Pounds, 81, Colfax, retired state employee and a former frequent Truckee visitor, took care of a couple of would-be robbers in the tradition of the old west.

When the two men, one of them masked, confronted him in his garage Saturday and told him to back up and turn around, he shot a toy gun from the hand of one and the two fled. The bullet smashed the cylinder of the toy weapon and one of the robbers.

Pounds was shooting from the hip and later told officers he could have shot the man instead of the gun had he desired.

The mocking bird has a fine song of its own in addition to its remarkable power of mimicry.

ASSISTANT CASHIER FOR BANK IS NAMED

Herbert S. Clegg, manager of the Tahoe City office of The Bank of California, today announced that the board of directors have appointed George F. Hansen assistant cashier at the Tahoe City office.

Prior to his appointment, Hansen was with the bank's head office in San Francisco. After

attending the University of Washington, he began his banking career with a Seattle, Washington bank and for the past five years has specialized in credit administration.

Hansen, his wife, Ann, and their four children will make their home in Kings Beach. He will assume his new duties on January 2nd.

Mr. and Mrs. Steve Kolos and family of Gridley were Truckee visitors during the weekend.

Water Prospects Appear Dim For East Sierra 'Shed

RENO—Based on spot checks of the Sierra snow pack in December, there probably is less stored water in the mountains than a year ago.

There are experts who hope that this season will be better than the three water-short years western Nevada and eastern California has just come through. Their comparative optimism is based only on the heavy water content of early snow fall.

Lake Tahoe, which had gained a little in its below-the-rim level in recent storms, is headed back down. On December 27, the level was 6222.71, almost a tenth of a foot below the natural outlet elevation.

Survey teams are conducting checks at Sonora Pass, Virginia Lakes, south Lake Tahoe, Hagans Meadow, Freel Bench, Upper Truckee, Ward Creek, Glenbrook, Richardsons and Tahoe City.

Other checks will be made in northern Nevada.

It will be a few days before the surveyors compile their information and compute what water may be expected from the present pack. Meanwhile, though they do not relish the idea, they hope to be doing their surveying in the midst of a huge storm.

At least two water experts now generally agree that current snow conditions are surprisingly parallel to those existing a year ago but that water content probably will be lower.

Continuation of the 1961-62 pattern along the lines of 1960-61 would mean an extremely dry summer for the entire region.

MARRIED

GLASS BROKEN

KINGS BEACH—Robert Molsberry, Kings Beach postmaster, reported to deputy sheriff last week that someone broke a glass in one of the post office boxes. Mail was found scattered on the floor, although it is believed none was taken.

Christmas Guests—

Mrs. Muriel Frey had as Christmas guests Mrs. Marian Stewart and son Scott of Prince Albert Island, Canada; William Frey and children Linda and Billy of Livermore and the Misses Dorothea and Varian Frey who have since returned to their studies at Chico State College.

Mrs. Ray Hintz, daughter Evelyn and son Charles have a combined birth date celebration for the first week in January.

SALES TAX SHARED BY NEVADA COUNTY

SACRAMENTO — (CNS) — Nevada county and its cities received a total of \$77,239 during the fourth quarter of 1961 from local sales and use taxes collected by the state, the state board of equalization reported.

This included \$50,569 for the unincorporated area of the county. The statewide distribution of \$59,331,111 was made in two installments, with some \$51 million being distributed in November and final payments of \$8 million in December.

The bulk of the sales tax collections, \$45,558,666, went to the 362 cities, while the 57 counties received \$9,495,720 and the city and county of San Francisco \$4,276,725.

Zydner at Los Altos—

Pete Zydner spent Christmas at the home of his son and daughter-in-law, Mr. and Mrs. Paul Zydner at Los Altos. Later the family returned here for the New Year.

U. C. Girds For 'Fantastic' Boom

The already giant University of California is expecting to grow 100 per cent during the next ten years, according to George W. Neill of the Education News Service.

Enrollment figures for 1961-62, just released, bear out this expectation. Enrollment is up 10 per cent this year over last. Projecting similar growth over the decade and the 100 per cent figure becomes quite reasonable.

Enrollment at the Berkeley campus hit 23,713, thus breaking a 13-year-old all-time campus record of 23,145 students enrolled during the influx of former GIs in 1948. This is an 8.5 per cent increase over 1960 figures.

Portentously, the enrollment record was broken by a graduate student. A significant portion of the Berkeley campus growth is in post-graduate students. Almost a third of the current Berkeley enrollment is composed of graduates. Eventually, nearly 50 per cent will be on the graduate level.

Each of the university's other six campuses also set all-time enrollment records:

Los Angeles: 17,968, an increase of 8.5 per cent, excluding 906 students at UCLA Medical Center, an increase of 17.2 per cent.

Santa Barbara, 4,129, up 17.6 per cent.
Davis, 3,500, up 21.4 per cent.
Riverside, 1,979, up 21 per cent.
San Francisco, 1,913, up 3.8 per cent.

San Diego, 156 (all graduate students) up 56 per cent.

Hastings College of Law, a university affiliate, now has 710 students, an 8.9 per cent increase.

Over-all graduate enrollment increased to 16,803, a rise of 14.6 per cent. University officials predict that the over-all enrollment will be 119,000 in 1970.

Send Greeting—

Mr. and Mrs. William Preston sent greeting to local friends from the Great Lakes Naval Station where he is stationed.

Marriage License—

Donald Grandy 44, and Naomi Hawes, 44 both of Crystal Bay, Lake Tahoe received a marriage license at Carson City, Nevada.

A pigeon-carried disease called ornithosis is the same kind of disease known as psittacosis or parrot fever when it affects parrots or parakeets.

YOUTHS ATTEMPT TO TAKE WRONG TRUCK

Three San Francisco youths have been booked for car theft after their futile attempt to steal a California Highway Patrol officer's personal pick-up truck.

The youths were spotted by the truck's owner, Officer Glenn Virus, and Patrolman William Gautsche, who were on duty at the time.

While driving west in Truckee, the officers noticed that Virus' truck was moving away from in front of his home.

They chased the youths for about 200 yards, after which the youths jumped out of the truck and a foot chase began.

Two of the boys were caught by officers, and the third was picked up by Nevada County deputies in downtown Truckee.

The three boys, ages 14, 15 and 17, were taken to the Nevada City juvenile hall and booked for car theft.

Soda Springs Skiers—

Random shot pictures in the Sunday Sacramento Bee included those of Dottie Furtado, a ski patrol member and Patti Kelly, a junior racer and student at Tahoe Truckee High School, both of Soda Springs.

Winter Vacations—

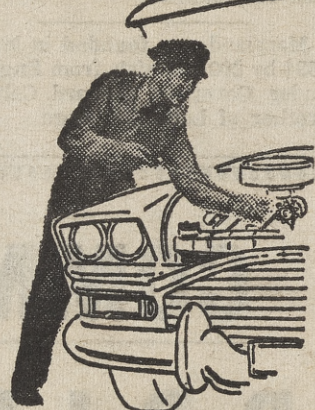

Winter vacations and business have spurred travel of Lake Tahoeites to other places recently, including the Ralph Stanleys to San Pedro, M. H. Jenkins at Palm Desert.

About 2,000 flights of military and civilian aircraft are processed daily at the Fremont air traffic control center of the federal aviation agency.
